

XVI CONFERENCE Students and Young Scientists

30th-31st May 2019

Koszalin University of Technology | Faculty of Mechanical Engineering |
Raławicka 15-17, Koszalin, Poland

BACKGROUND

Students and Young Scientists conference for many years has been a forum for the exchange of scientific information and engineering research experience of young people from all faculties of our University and also from non-local universities. Therefore, its thematic scope is very wide. During the conference, we plan plenary sessions and a poster session.

SCOPE OF THE CONFERENCE

Machine Construction Technology
Modeling and Simulation of Mechanical Systems
Drives and Machine Control
Thermodynamics and Fluid Mechanics
Mechatronics of Machines and Vehicles
Robots and Manipulators
Agricultural and Food Technology
Construction and Operation of Motor Vehicles
Architecture
Power Engineering
Industrial Design
Food Technology
Electronics and Electrotechnics
Environmental Protection
Production Engineering

DEADLINES

15 March 2019 – submission of abstracts
15 April 2019 – full manuscript submission

CONFERENCE LANGUAGE

Publications should be prepared in English or Polish. Presentations can be presented in English or Polish.

CONFERENCE LOCATION AND DATE

The conference will be held in May 30-31, 2019 in Faculty of Mechanical Engineering, Raławicka 15-17 75-620 Koszalin, Poland.

CONFERENCE FEES

The cost of participation in the conference is free. Accommodation can be in dorms or in an assistant hotel.
